## Allergens

**3)** Sesame **11)** Soya **13)** Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

## Chip, Chip, Hooray

Preheat your oven to 220°C/200°C fan/gas mark 7. Chop the **potatoes** lengthways into 1cm slices, then chop into 1cm wide chips (no need to peel).

Pop the **chips** onto a large baking tray. Drizzle with **oil**, sprinkle over the **black sesame seeds**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. **TIP:** Use two baking trays if necessary.

When the oven is hot, bake on the middle shelf until golden, 30-35 mins. Turn halfway through.

## Get Baking

Pop the **meatballs** onto another large baking tray.

Bake on the top shelf until browned on the outside and cooked through, 12-15 mins.

**IMPORTANT:** The meatballs are cooked when no longer pink in the middle.

## Carrot Ribbon Time

While the **chips** cook, trim and peel the **carrot**. Use the peeler to peel long ribbons down the length of the **carrot**, stopping at the core.

In a large bowl, combine the **rice vinegar**, a drizzle of **oil**, a pinch of **salt** and the **sugar for the dressing** (see pantry for amount). Set aside your **dressing** for now.

## Glaze the Meatballs

Once the **meatballs** are cooked, remove the tray from the oven.

Drain and discard the fat, then drizzle over the **gochujang paste** and **honey**. Carefully turn the **meatballs** to coat them in the **gochujang glaze**.

## Make the Meatballs

Meanwhile, peel and grate the **garlic** (or use a garlic press).

In a large bowl, combine the **garlic**, **breadcrumbs**, **salt** and **water for the breadcrumbs** (see pantry for both amounts), then add the **pork mince**.

Season with **pepper** and mix together with your hands. Roll into evenly-sized balls, 5 per person.

**IMPORTANT:** Wash your hands and equipment after handling raw mince.

## CUSTOM RECIPE

If you've chosen to get the **beef mince** instead of **pork**, prep and cook the recipe in the same way.

## Serve Up

When everything's ready, add the **baby leaf mix** and the **carrot ribbons** to the bowl of **dressing**. Toss together.

Share the **gochujang meatballs** between your plates, spooning over any remaining **glaze** from the tray.

Serve with the **chips** and **salad** alongside.

Enjoy!
