Reference Intake of an average adult (8400kJ/2000kcal).

Allergens

7) Milk 13) Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

Get Prepped

a) Preheat your oven to 220°C/200°C fan/gas mark 7. Remove the **puff pastry** from your fridge.

b) Heat a drizzle of **oil** in a frying pan on medium-high heat.

c) Once hot, add the **bacon lardons** and fry until golden, 3-5 mins, turning occasionally. Remove from the heat. **IMPORTANT:** Wash your hands and equipment after handling raw meat. Cook lardons thoroughly.

d) Meanwhile, grate the **cheese**. Pop the **pesto**, **sun-dried tomato paste** and **tomato puree** into a small bowl and add a pinch of **sugar** (if you have any). Stir together until combined.

Roll With It

a) Unfold the **puff pastry** onto a chopping board, keeping it on its baking paper.

b) Spread the **pesto mixture** over the **pastry** in a thin layer, leaving a 1cm border on all sides.

c) Evenly sprinkle over the **cooked bacon lardons** and **cheese**.

d) Carefully roll from the long side, using the baking paper to help you, to enclose the **filling** and make a spiral.

Ready, Steady, Bake

a) Line a baking tray with baking paper. Trim (and discard) the end 1cm from each end of the **pastry** log to neaten, then carefully slice into 2cm thick rounds. **TIP:** A serrated knife makes slicing easier!

b) Lay the **rounds** onto the baking tray, spaced well apart to allow them to puff. Brush with **oil**.

c) Bake in your oven until golden, 20-25 mins.

d) When ready, serve the **pinwheels** while still warm on a large plate for sharing.

Enjoy!
