Prep Time

Preheat your oven to 200°C. Fill and boil your kettle. Halve, peel and chop the **onion** into small pieces. Trim the **courgette** then halve lengthways. Slice widthways into half-moons roughly 1cm thick. Peel and grate the **garlic** (or use a garlic press). Zest and halve the **lemon** (see ingredients for amount).

Char the Courgette

While your **risotto** bakes, roughly chop the **walnuts** and finely chop a **quarter** of the **rocket**. Pop the **walnuts**, **rocket** and **hard Italian style cheese** into a bowl with the **olive oil** (see ingredients for amount). Grind in some **pepper**, mix it together and leave it to one side. Meanwhile, heat a large frying pan on medium-high heat (no **oil**). When hot, add the **courgette** and cook until charred, 5-7 mins. Turn only every couple of minutes - this will result in the **courgette** picking up some nice colour. Once cooked, season with **salt** and **pepper**, then transfer to a bowl.

Start the Risotto

Heat a drizzle of **oil** in a large, wide-bottomed ovenproof pan on medium heat (if you don't have an ovenproof pan, use a normal saucepan and transfer to an ovenproof dish later). Add the **onion** to the pan and cook until soft, 4-5 mins. Add the **garlic** and cook for 1 min, then stir in the **risotto rice** and cook until the edges of the **rice** are translucent, 1 min. Add the **cider vinegar** and allow it to evaporate before adding the **boiled water** (see ingredients for amount) and **veg stock paste**. Stir well to combine and season with **salt** and **pepper**.

Grill the Cheese

Once your **risotto** is ready, remove it from your oven. Preheat your grill to high. Stir your **lemon zest**, **courgette** and **rocket pesto** into your **risotto** (add a splash of **water** if it's a bit thick). Season to taste with **salt** and **pepper** if needed. Crumble the **goat's cheese** over the top of the **risotto** and pop it under your grill until the **cheese** has browned, 4-5 mins.

Bake the Risotto

Bring back up to the boil, then pop a lid on the dish (or cover with foil) and bake on the middle shelf of your oven until the **rice** is cooked and the **water** has been absorbed, 20-25 mins.

Finish and Serve

While your **risotto** is grilling, pour a drizzle of **olive oil** into a medium bowl. Add a squeeze of **lemon juice** and season with **salt** and **pepper**. Mix together, then add the remaining **rocket** and toss to coat. Once cooked, remove the **risotto** from the grill and serve in bowls with a handful of **rocket** on top.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
