Roast the Sweet Potato

Preheat your oven to 220°C/200°C fan/gas mark 7.

Pop the **diced sweet potato** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. **TIP:** Use two baking trays if necessary.

When the oven is hot, roast on the top shelf until golden and tender, 20-22 mins. Turn halfway through.

Add the Beans

Meanwhile, drain and rinse the **black beans** in a sieve.

When the **sauce** has thickened, add the **black beans** and continue to simmer, stirring occasionally, until the **stew** has thickened, 10-12 mins.

Get Prepped

Meanwhile, halve, peel and chop the **onion** into small pieces. Peel and grate the **garlic** (or use a garlic press). Trim and thinly slice the **spring onion**.

Heat a large saucepan on medium heat (no oil).

Once hot, add the **flaked almonds** and dry-fry, stirring regularly, until lightly toasted, 3-4 mins. **TIP:** Watch them like a hawk as they can burn easily.

Once toasted, transfer to a small bowl and set aside.

Bring on the Veg

Once the **sweet potato** is cooked, remove from the oven and stir into your **stew**.

Stir in the **spinach** a handful at a time until wilted and piping hot, 1-2 mins.

Season to taste with **salt** and **pepper**. Add a splash of **water** if the **stew** is a little thick.

Start your Harissa Stew

Put the saucepan back on medium-high heat with a drizzle of **oil**.

Once hot, add the **onion** and cook until softened, 4-5 mins. Add the **garlic** and **harissa paste**, then cook for 1 more min.

Pour in the **water for the sauce** (see ingredients for amount), **veg stock paste** and **chopped tomatoes**. Bring to a boil, then reduce the heat to medium. Simmer until thickened, 7-8 mins, stirring occasionally.

Time to Serve

When ready, divide the **harissa stew** between your bowls.

Finish with a dollop of **yoghurt** and generously sprinkle the **toasted almonds** and **spring onion** over the top.

Enjoy!
