1. Cook the Wedges

Preheat your oven to 220°C. Chop the **potatoes** into 2cm wide wedges (no need to peel!) and pop them on a baking tray. Drizzle with **oil** and season with **salt**. Toss together, then spread out in a single layer and roast on the top shelf of your oven until golden and cooked through, 25-30 mins. Turn halfway through cooking.

4. Finish the Prep

Meanwhile, grate the **Cheddar**. Put the **coleslaw** mix in a bowl with the **mayonnaise**. Season with **salt** and **pepper**, mix well to combine. Taste and season with more **salt** and **pepper** if needed.

2. Make the Burgers

Meanwhile, pop the **ketchup** and **panko breadcrumbs** into a mixing bowl, stir together until combined, then add the **beef mince**. Season with **salt** and **pepper**. Mix together with your hands until completely combined, then squeeze and shape into burger patties (one per person) about 2cm thick. **TIP:** Make the burgers flatter than you want as they will fatten up and shrink as you cook them. **IMPORTANT:** Remember to wash your hands and equipment after handling raw meat!

5. Melt the Cheese

Once the **burgers** are cooked, distribute the **grated Cheddar** evenly over the tops of the **burgers**. Cover your pan with a lid or some foil, remove from the heat and leave to the side to melt the **cheese**, 5 mins. Meanwhile, halve the **burger buns** and put them on the middle shelf of your oven to warm for 3-4 mins.

3. Fry the Burgers

Heat a drizzle of **oil** in a frying pan on medium-high heat. Once hot, add the **burgers** and lower the heat to medium. Cook until browned on the outside and cooked through, turning carefully once or twice. This should take 12-14 mins in total. **IMPORTANT:** The burgers are cooked when they are no longer pink in the middle.

6. Garnish and Serve

Top each **bun base** with a **burger** and the **bun top**. Serve with the **wedges** and **slaw**.

Enjoy!
