## Boil the Potatoes

**a)** Bring a medium saucepan of water to the boil with 1/2 tsp of **salt** and preheat your oven to 220°C.

**b)** Peel the **potato** and slice into 1cm wide rounds.

**c)** Pop the **potato** into your pan of boiling **water**, cook until just tender, 10-12 mins. **TIP:** The potato is cooked when you can easily slip a knife through, but be careful because you don't want the potato to overcook.

**d)** Once cooked, reserve some of the **potato cooking water** (see ingredients for amount), then carefully drain in a colander and set aside.

## Finish the Prep

**a)** Meanwhile, halve, peel the thinly slice the **shallot**.

**b)** Peel and grate the **garlic** (or use a garlic press).

**c)** Grate the **Monterey Jack cheese**.

**d)** Heat a drizzle of **oil** in a frying pan on medium heat. Once hot, add the **shallot** and fry until softened, 4-5 mins.

**e)** Stir in the **garlic** and cook for 1 minute, then pour in **reserved potato cooking water** and **vegetable stock powder**.

**f)** Bring to the boil and simmer until reduced slightly, 1-2 mins.

**g)** Stir in the **creme fraiche**, bring to the boil then remove from the heat.

## Bake

**a)** Stir the **Monterey Jack** and **half** the **hard Italian style cheese** into the **sauce**, then taste and add **salt** and **pepper** if you feel it needs it.

**b)** Layer **half** the **potatoes** into a small ovenproof dish, then pour on **half** the **sauce**.

**c)** Layer in the remaining **potatoes** and pour in the remaining **sauce**.

**d)** Sprinkle over the remaining **hard Italian style cheese**, then bake in your oven until golden and bubbling, 15-20 mins.

**e)** Serve.

Enjoy!

*There may be changes to ingredients in recipes:*

**Allergens:** Always check the packaging of individual products/ingredients for up to date information.

**Missing Ingredients:** You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
