Salt (g)	1.41	0.36

Nutrition for uncooked ingredients based on 2 person recipe.  
Reference Intake of an average adult (8400kJ/2000kcal).

## Allergens

7) Milk

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

1

## Cook the Rice

Pour the **cold water for the rice** (see ingredients for amount) into a medium saucepan with a tight-fitting lid.

Stir in the **rice** and **¼ tsp salt** and bring to the boil. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

2

## Get Prepped

While the **rice** cooks, halve, peel and thinly slice the **shallot**. Trim the **green beans** and cut into thirds.

Peel and grate the **garlic** (or use a garlic press). Roughly chop the **coriander** (stalks and all).

3

## Fry the Chicken

Heat a drizzle of **oil** in a large frying pan on medium-high heat.

Once hot, add the **diced chicken** and season with **salt** and **pepper**. Stir-fry until browned all over, 5-6 mins. **TIP:** Fry in batches if your pan is small - you want it to fry, not stew. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging.

Once the **chicken** is browned, add the **shallot** to the pan and cook, stirring frequently, until softened, 3-4 mins.

4

## Simmer your Sauce

Stir in the **garlic**, **curry powder** and **mango chutney** to coat the **chicken** and cook for 1 min.

Pour in the **water for the sauce** (see ingredients for amount) and stir in the **chicken stock paste**.

Add the **beans**, bring to the boil, then reduce the heat to medium.

Cover with a lid or some foil and simmer until the **beans** are tender, about 5-7 mins.

5

## Finish Up

Once the **beans** are tender and the **chicken** is cooked, remove the lid and stir in the **soured cream**.

Bring to the boil, then remove from the heat. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

Stir in **half** the **coriander**. Taste and add **salt** and **pepper** if needed.

6

## Serve

When ready, fluff up the **rice** with a fork and share between your bowls.

Serve with the **coronation chicken** on top and the remaining **coriander** sprinkled over.

## Enjoy!
