#### **Allergens**

14) Sulphites

Please remember to check your ingredient packaging for information on allergens and traces of allergens!

Wash your hands before and after prep. Wash fruit and veg; but not meat! Use different chopping boards and utensils for raw and ready-to-eat foods (or wash in-between).

Boxes are packed in facilities that handle Peanut, Nut, Sesame, Fish, Crustaceans, Milk, Egg, Mustard, Celery, Soya, Gluten & Sulphites.

#### HelloFresh UK

Packed in the UK The Fresh Farm 60 Worship St, London EC2A 2EZ

# Fry the Chicken

Preheat your oven to 200°C and boil a large saucepan of **water** over high heat. Heat a drizzle of **oil** in a frying pan on medium-high heat. Season the **chicken** with **salt** and **pepper**. Once the **oil** is hot, lay in the **chicken breasts** skin-side down. Fry until the skin is golden, 5-6 mins, then turn and cook for 1 minute on the other side. TIP: For the crispiest skin, don't be tempted to move the chicken. **IMPORTANT:** Wash your hands after handling chicken and its packaging.

#### Cook the Potatoes

Meanwhile, chop the **potatoes** into 2cm chunks (no need to peel), and pop them into your pan of boiling **water** with a ½ tsp of **salt**. Simmer until tender, 15-20 mins. TIP: The potatoes are cooked when you can easily slip a knife through them. Once cooked, drain in a colander and pop them back in their pan. Cover with a lid to keep warm. Meanwhile, thinly slice the **mushrooms**. Halve, peel and thinly slice the **shallot**.

#### **Prep the Carrots**

While the **chicken** cooks, trim the **carrots** (no need to peel), quarter lengthways and then chop into **batons** the length of your index finger. Pop them onto a large baking tray and add a drizzle of **oil**. Sprinkle over the **sugar** (see ingredient list for amount) and season with **salt** and **pepper**. Toss to coat, then arrange in a single layer.

#### Roast the Chicken

Transfer the **chicken** to another baking tray (skinside up). Roast the **chicken** on the top shelf of your oven and the **carrots** on the middle shelf, until the **carrots** are tender and the **chicken** cooked, 20-25 mins. Halfway through, add the **garlic cloves** (no need to peel) to the **carrot** tray to cook for 10 mins. **IMPORTANT**: The chicken is cooked when no longer pink in the middle.

#### Make the Sauce

Put the frying pan you cooked your **chicken** in back on medium-high heat (no need to wash). Add a drizzle of **oil**, the **mushrooms** and a pinch of **salt** and **pepper**. Stir-fry until the **mushrooms** are golden, 4-5 mins. Add the **shallot** and fry until soft, about 3 mins. Pour in the **water** for the sauce (see ingredients for amount) and add the **red wine stock paste**. Stir to combine, then simmer until the **sauce** has thickened slightly and is glossy, 3-4 mins. Remove from the heat.

### **CUSTOM RECIPE**

If you've decided to add **bacon lardons** to your meal, add them to the pan with the **mushrooms**. **IMPORTANT**: Wash your hands and equipment after handling raw meat. **IMPORTANT**: Cook lardons thoroughly. Continue with the rest of the recipe as instructed.

## Finish and Serve

When the **chicken** is cooked, transfer it to a chopping board to rest for a couple of mins. Carefully, squeeze the **garlic** out of its skin and add it to the **potato** along with a knob of **butter** and a splash of **milk** (if you have some). Add **salt** and **pepper** to taste and mash until smooth. Slice the **chicken**, serve with the **mash** and **carrots**. Spoon over the **sauce**.

#### Enjoy!

#### There may be changes to ingredients in recipes:

**Allergens:** Always check the packaging of individual products/ingredients for up to date information.

#### Missing Ingredients:

You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
