1 Prep the Veggies

Preheat your oven to 200°C. Chop the **potatoes** into 2cm wide wedges (no need to peel). Pop the **wedges** on a large baking tray in a single layer. Drizzle with **oil**, then season with **salt** and **pepper**. Toss to coat, then spread out and roast on the top shelf of your oven until golden, 25-30 mins. Turn halfway through cooking.

2 Roast the Peppers

Meanwhile, halve the **pepper** and discard the core and seeds. Slice into thin strips. Halve, peel and finely chop the **shallot**. Zest and halve the **lime**. Peel and grate the **garlic** (or use a garlic press). Put the **pepper** on a lined baking tray. Drizzle over some **oil**, season with **salt** and **pepper** and toss to coat. Spread out evenly, then roast on the middle shelf of your oven until soft and slightly crispy round the edges, 15-17 mins.

3 Get Butterflying!

While everything cooks, lay your **chicken breast** on the chopping board, place your hand flat on top and slice into it from the side (be careful not to slice all the way through). Open it up like a book. Repeat for the other **breast(s)**. Transfer them to a mixing bowl. Add a drizzle of **oil**, a squeeze of **lime juice** and **half** of the **Mexican spice**. Season with **salt** and **pepper**, then use your hands to mix thoroughly. **IMPORTANT:** Remember to wash your hands after handling raw meat!

4 Cook the Chicken

Heat a splash of **oil** in a frying pan on medium-high heat. Once hot, add the **chicken** and cook for 3-4 mins on each side. Transfer to the tray with the **peppers**. Roast for 5-6 mins. **IMPORTANT:** The chicken is cooked when it is no longer pink in the middle. Don't wash the pan, we'll use it in the next step.

5 Fry the Beans

Meanwhile, drain and rinse the **beans** in a colander. Add another splash of **oil** to your now empty frying pan and put it back on medium-high heat. Add the **shallot** and cook for 2 mins. Add the **garlic** and remaining **Mexican spice** and cook for 1 min. Add the **mixed beans**, **chicken stock powder** and **water** (see ingredients for amount). Season with **salt** and **pepper**. Pop a lid on the pan and cook for 5 mins. When cooked, mash to break up the **beans** with a potato masher (or the back of a fork).

6 Finish and Serve

Mix the **lime zest** and **olive oil** (see ingredients for amount) with a squeeze of **lime juice**. Season with **salt** and **pepper**. Divide the **beans** between plates, with the **chicken** beside and the **peppers** on top. Add the **wedges** and dress with some of the **lime sauce**. Squeeze over a little more **lime juice** for good measure.

Enjoy!
