You can recycle me!

1 Prep the Veggies

Pop your kettle on to boil. Halve the **pepper** and discard the core and seeds. Chop into small pieces. Trim the **spring onion** and thinly slice. Halve the **chilli** lengthways, deseed then finely chop. Peel and grate the **garlic** (or use a garlic press). Roughly chop the **coriander** (stalks and all). Zest and halve the **lime**.

4 Cook the Chicken

Meanwhile, heat a splash of **oil** in a frying pan on medium-high heat. Once hot, add the **chicken pieces** and **lime zest**. Season with a pinch of **salt** and **pepper**. Stir-fry until cooked through, 8-10 mins. When cooked, remove to a plate and cover with foil to keep warm. **IMPORTANT:** The chicken is cooked when it is no longer pink in the middle.

CUSTOM RECIPE

If you've chosen **diced chicken breast** instead of **diced chicken thigh**, just cook the **diced breast** in the same way the recipe tells you to cook the **diced thigh** in the step above and in the rest of the recipe.

2 Laksa Time

Heat a splash of **oil** in a large saucepan on medium heat. Add the **pepper, garlic, chilli** and **half** the **spring onion**. Stir and cook for 2 mins, then add the **red curry paste** and stir together. **TIP:** Add less chilli if you don't like spice! After 1 minute, pour in the **coconut milk** and mix until smooth. Add the **chicken stock powder** with the **boiling water** from your kettle (see ingredients for amount) and bring to a simmer.

5 Cook the Noodles

When the **laksa** has been cooking for 10 mins, add in the **egg noodle nests**. Cook until soft enough to eat, about 4 mins. **TIP:** The noodles may soak up some of the coconutty liquid. If this is the case, just add a splash of water to get it back to a soupy consistency.

3 Season the Laksa

Add the **peanut butter** and a pinch of **sugar** (if you have some) to your pan. Simmer gently for 10 mins. Taste the **laksa** and add seasoning if you think it needs it - **salt, pepper, sugar** - whatever suits your taste!

6 Assemble and Serve

Add the **chicken** to the pan and simmer until the **chicken** is piping hot, 1-2 mins. Remove from the heat and add **half** the **lime juice**. Taste and add **salt, pepper** and more **lime juice** if you feel it needs it. Serve in big bowls topped with the **coriander** and the remaining **spring onion**.

Enjoy!
