Wedge Time

Preheat your oven to 200°C. Chop the **potatoes** into 2cm wide **wedges** (no need to peel). Pop the **wedges** onto a large, low-sided, wide baking tray. Drizzle with **oil**, season with **salt** and **pepper** and **half** of the **Central American spice mix**, toss to coat. Spread out in a single layer and roast on the top shelf of your oven until golden, 25-30 mins. Turn halfway through. **TIP:** Use two baking trays if necessary, you want the wedges nicely spread out.

Mix the Mayo

Once the **wedges** are halfway through cooking, bake the **skewers** on the middle shelf of your oven until the **halloumi** is golden and the **pepper** is tender, 10-12 mins. In the meantime, combine the **mayonnaise** and **sweet chilli sauce** in a small bowl, mix well to combine.

Prep

Soak the **skewers** in a bowl of cold **water** (to prevent them from burning). Drain and chop the **halloumi** into 2cm chunks. Place them into another bowl of cold **water** and leave to soak. Halve the **pepper** and discard the core and seeds. Slice into 2cm wide strips, then chop into roughly 2cm pieces. Zest and halve the **lemon**. Chop the **tomato** into 1cm pieces. Trim the root from the **baby gem** then halve lengthways. Thinly slice widthways.

Dress the Salad

In a medium bowl combine the **baby gem** and **tomato**. Squeeze over **half** of the **lemon juice** and drizzle over the **oil** (see ingredients for amount). Season with **salt**, **pepper** and a pinch of **sugar** (if you have any). Toss to coat.

Make the Skewers

Remove the **halloumi** slices from the cold **water**, pop them onto a plate lined with kitchen paper and pat them dry. Then pop them into a bowl with the **pepper**, **lemon zest**, a drizzle of **oil**, a grind of **pepper** and the remaining **Central American spice mix**. Mix well to combine and carefully thread them onto the **skewers** (2 **skewers** per person). Alternate between **halloumi** and **pepper**. Pop the **skewers** onto a baking tray.

Time to Serve

Once the **halloumi skewers** are out of the oven, drizzle over the **honey** and share between your plates. **TIP:** If your honey has hardened, pop the unopened sachet in a bowl of hot water for 1 min. Place the **wedges** and **salad** alongside, drizzle the sweet **chilli mayo** all over the **skewers**.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
