## Get Started

Preheat your oven to 200°C. Bring a large saucepan of **water** to the boil with ½ tsp **salt**. Peel and slice the **potatoes** into 1cm wide slices. Add them to your boiling **water** and simmer until just tender, 8-12 mins. **TIP:** *The potatoes are cooked when you can easily slip a knife through them.* Once cooked, reserve some of the **potato cooking water** (see ingredient list for how much you need), then carefully drain in a colander.

## Bake

Lay the cooked **potato** slices in layers in an appropriately sized ovenproof dish, then pour over the creamy **mixture**. Bang the dish carefully a couple of times on a hard surface to get any air bubbles out. Sprinkle the remaining **cheese** on top. Bake on the top shelf of your oven until golden brown and bubbly, 15-20 mins. **TIP:** *Put the dish on a baking tray to catch any drips.*

## Finish the Prep

Meanwhile, peel and grate the **garlic** (or use a garlic press). Finely chop the **chives** (use scissors if you'd prefer). Pop the **breadcrumbs** into a bowl and add the **olive oil** (see ingredients for amount) and **half** the **chives**. Season with **salt** and **pepper**, mix together. Lay the **salmon fillets** on a baking tray lined with baking paper and spread 1 tsp of **creme fraiche** on each **fillet**. Top with the **breadcrumbs**, pressing them down to ensure they stick. Set aside. **IMPORTANT:** *Wash your hands after handling raw fish.*

## Finish Up

When the **potatoes** have been in the oven for 5 mins, pop the **salmon** on the middle shelf to bake until the **crumbs** are golden and the **salmon** cooked through, 10-15 mins. **IMPORTANT:** *The salmon is cooked when opaque all the way through.* While the **salmon** cooks, get your washing up done, then heat a drizzle of **oil** in a frying pan on medium-high heat. Once hot, add the **Tenderstem broccoli** and cook for 2-3 mins. Add a splash of **water** to the pan, cover with a lid or some tin foil and steam-fry until almost tender, 2-3 mins.

## Make the Sauce

When the **potatoes** are cooked and drained, pop your empty pan back on medium heat and add the remaining **creme fraiche**, the **reserved potato water**, **stock paste**, **garlic** and **half** the **hard Italian style cheese**. Stir to mix, then bring to the boil, then remove from the heat. Taste and season with **salt** and **pepper** if needed.

## Serve

Once the **broccoli** is almost tender, add the **sugar snap peas** to the pan, season with **salt** and **pepper**, cover with a lid again and allow to steam until the **sugar snaps** are tender, 2-3 more mins. Remove the pan from the heat. Carefully transfer the **salmon** to plates and add a generous spoonful of **dauphinoise potato**. Finish with the **Tenderstem broccoli** and **sugar snaps** and a sprinkle of **chives**.

## Enjoy!

**There may be changes to ingredients in recipes:**

**Allergens:** Always check the packaging of individual products/ingredients for up to date information.

**Missing Ingredients:** You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
