Get Prepped

Bring a large saucepan of water to the boil with $\frac{1}{4}$ tsp salt for the **noodles**.

Halve the **pepper** and discard the core and seeds. Slice into thin strips.

Trim and halve the **green beans**.

Peel and grate the **garlic** (or use a garlic press).

Add the Garlic

Once the **beef mince** has browned and the **pepper** has started to soften, add the **garlic** and stir-fry for 1 min.

Fry Time

Heat a drizzle of **oil** in a large frying pan on medium-high heat.

Once the **oil** is hot, add the **beef mince** and **sliced pepper**. Stir-fry until the **mince** has browned and the **pepper** has softened, 5-6 mins.

Use a spoon to break up the **mince** as it cooks, then drain and discard any excess fat. **IMPORTANT:** Wash your hands and equipment after handling raw mince.

Sauce Things Up

Once cooked, add the **noodles** and **beans** to the frying pan.

Pour in the **hoisin sauce**, **ketjap manis**, **soy sauce** and **water for the sauce** (see pantry for amount), then mix well to combine.

Cook until everything's piping hot, 2-3 mins, then remove from the heat. **IMPORTANT:** The mince is cooked when no longer pink in the middle.

Cook the Noodles and Beans

Meanwhile, add the **noodles** and **green beans** to the pan of **boiling water**. Cook until tender, 4 mins.

Once cooked, drain in a colander and run under **cold water** to stop the **noodles** sticking together and keep the **beans** vibrant.

Serve

Share the **hoisin beef noodles** between your serving bowls.

Finish with a sprinkling of **roasted sesame seeds** for those who'd like them.

Enjoy!
