1. Marinate the Chicken

Put a large saucepan of **water** with ½ tsp of **salt** on to boil for the noodles. Pop the **diced chicken** in a mixing bowl. Sprinkle over the **Chinese 5 spice** (careful not to use it all, it's quite strong!), and season with **salt** and **pepper**. Mix well to coat the **chicken**, cover and set aside. **IMPORTANT:** Remember to wash your hands after handling raw meat!

CUSTOM RECIPE

If you've opted to get **diced chicken breast** instead of thigh, prep and cook the **diced chicken breast** in the same way the recipe tells you to cook the **diced chicken thigh**.

4. Stir-Fry the Chicken

While the **noodles** are cooking, heat a splash of **oil** in a frying pan (or wok) over high heat. Stir-fry the **chicken** until browned, 8-10 mins. **TIP:** If necessary, cook the chicken in batches to make sure the meat doesn't stew. Once cooked, transfer the **chicken** to a bowl and set aside. **IMPORTANT:** The chicken is cooked when it is no longer pink in the middle.

2. Prep the Veggies

Meanwhile, halve the **pepper** and discard the core and seeds. Slice into thin strips. Trim the **green beans** then chop into thirds. Halve, peel and thinly slice the **red onion** into half moons. Trim the **spring onions** and thinly slice. Peel and grate the **ginger** and **garlic** (or use a garlic press). Roughly chop the **coriander** (stalks and all).

5. Add the Veggies

Add another splash of **oil** to your now empty pan (if it's dry) and lower the heat slightly. Add the **pepper** and **green beans** and stir-fry until starting to soften, 3-4 mins. Add the **red onion** and cook for another 2 mins, then add the **chicken** back into the pan. Add the **ginger** and **garlic** and cook for one minute more. Drain the **noodles** and add them to the pan along with the **soy sauce**, **hoisin sauce** and a splash of **water** to loosen.

3. Cook the Noodles

Add the **egg noodle nests** to the pan of boiling water. Stir to separate, then cook for 4 mins. Once cooked, drain in a colander, then run under cold water until they lose their heat. Pop them back in their pan, fill with **cold water** and set aside.

6. Finish and Serve

Toss well, to make sure all the ingredients are combined and cook for another 2 mins to ensure the **noodles** are piping hot. Finish the **stir-fry** by adding the **spring onion** and as much **coriander** as you like, then serve immediately.

Enjoy!
