Nutrition for uncooked ingredients based on 2 person recipe.

Allergens

11) Soya

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

Get Prepped

Halve, peel and chop the **red onion** into small pieces. Trim the **courgette** then quarter lengthways. Chop widthways into small pieces. Peel and grate the **garlic** (or use a garlic press). Zest the **lime** and cut into wedges. Roughly chop the **coriander** (stalks and all).

Cook the Rice

Pour the **cold water for the rice** (see ingredients for amount) into a medium saucepan with a tight-fitting lid. Stir in the **rice** and $\frac{1}{4}$ **tsp salt**, cover with the lid and bring to the boil on medium-high heat. Once boiling, turn the heat down to medium. Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

Start the Curry

Meanwhile, heat a drizzle of **oil** in a large frying pan on medium-high heat. Once hot, add the **diced chicken** and season with **salt** and **pepper**. Cook until browned all over, 5-6 mins. Turn occasionally. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. Add the **onion** and cook until softened, 4-5 mins. Stir in the **Indonesian style spice mix** and **garlic**. Cook, stirring, for 1 min.

CUSTOM RECIPE

If you've chosen to get **diced chicken breast** instead of **diced chicken thigh**, cook the recipe in the same way.

Simmer the Sauce

Stir in the **coconut milk**, **water for the curry** (see ingredients for amount) and **courgette**, then season with **salt** and **pepper**. Bring to the boil, then reduce heat slightly and simmer, covered with a lid (or some foil) for 4-5 mins. Remove the lid, then continue to simmer until the **sauce** has thickened, the **courgette** is tender and the **chicken** has cooked through, 4-5 mins. Stir occasionally. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

Finish Up

When the **curry** is cooked, stir in the **ketjap manis**, a squeeze of **juice** from a **lime wedge** and **half** the **coriander**. Taste and season with **salt** and **pepper** if needed. Fluff up the **rice** with a fork and stir through the **lime zest**.

Serve

Divide the **rice** between your bowls. Top with the **curry**, a sprinkle of remaining **coriander** and serve with the remaining **lime wedges** for squeezing over.

Enjoy!
