## Prep Time

Halve, peel and chop the **red onion** into small pieces. Zest and halve the **lemon**. Trim the **courgette**, then slice into rounds about 1cm thick. Quarter the **tomatoes**. Roughly chop the **parsley** (stalks and all). Pop the **lemon zest** into a large bowl with the **olive oil for the marinade** (see ingredients for amount) and season with **salt** and **pepper**. Mix together, then add the **sea bass**. Turn to coat the **fish** in the **marinade**, then set aside. **IMPORTANT:** Wash your hands and equipment after handling raw fish.

## Make the Dressing

While the **courgette** chars, pop the **olive oil for the dressing** (see ingredients for amount) into a small bowl with a squeeze of **lemon juice** and **half** the **parsley**. Season with **salt** and **pepper**, mix well and set aside.

## Cook the Bulgur

Heat a drizzle of **oil** in a medium saucepan on medium heat. Once hot, add the **onion** and cook, stirring occasionally, until soft, 3-4 mins. Pour the **water for the bulgur wheat** (see ingredients for amount) into the **onion** pan, stir in the **veg stock paste** and bring to the boil. Stir in the **bulgur**, bring back up to the boil and simmer for 1 min. Pop a lid on the pan and remove from the heat. Leave to the side for 12-15 mins or until ready to serve.

## Fry the Fish

Pop your (now empty) **courgette** frying pan on medium-high heat. Once hot, carefully place your **marinated sea bass** into the pan, skin-side down, and spoon over the remaining **oil** from the bowl. Cook for 3-4 mins before turning over and cooking for 2-3 mins on the other side. **TIP:** To get crispy skin on the fish, don't move it around when it's cooking skin-side down. **IMPORTANT:** The fish is cooked when opaque in the middle.

## Char the Courgette

Once the **bulgur** has been set aside, pop a large frying pan on medium-high heat (no oil). When hot, add the **courgette rounds** and cook until charred, 3-4 mins each side. Turn only every couple of mins - this will result in the **courgette** picking up some nice colour. Once cooked, season with **salt** and **pepper**, then transfer **half** the **charred courgettes** to a bowl and cover to keep warm. Chop the remaining **courgette** into small pieces and set aside.

## Finish and Serve

When everything is ready, fluff up the **bulgur** with a fork and stir through the **tomatoes**, **chopped courgette**, remaining **parsley** and a small squeeze of **lemon juice**. Taste and season with **salt**, **pepper** and more **lemon juice** if needed. Share the **bulgur** between your plates, then top with the **charred courgette rounds** and **crispy sea bass**. Drizzle over the **herby dressing** to finish.

Enjoy!
