Roast the Aubergine

Preheat your oven to 200°C. Trim the **aubergine** then halve lengthways. Chop each half into four long strips then chop widthways in half. Pop the **aubergine** onto a large baking tray in a single layer. Drizzle with **oil** and season with **salt, pepper** and **half of the Sri Lankan curry powder**. Toss to coat and roast the **aubergine** until golden brown and soft, 25-30 mins. Turn halfway through cooking. Once cooked, remove from your oven and set aside.

Prep

Meanwhile, halve, peel and thinly slice the **onion**. Peel and grate the **garlic** (or use a garlic press). Trim the **carrot**, then quarter lengthways (no need to peel). Chop widthways into small pieces. Roughly chop the **coriander** (stalks and all). Zest the **lime** and chop into **wedges**. Chop up the **peanuts** as finely as you can.

Curry Time

Heat a drizzle of **oil** in a medium saucepan on a medium-high heat. When hot, add the **onion** and **carrot** and cook, stirring frequently until tender, 7-8 mins. Add the remaining **Sri Lankan curry powder, tomato puree, garlic** and **lentils** and cook for 1 min, stirring frequently. Add the **coconut milk, water** (see ingredients for amount) and **veg stock paste**. Stir to combine and simmer until the **lentils** are cooked, 20-25 mins.

Rice Rice Baby

While the **curry** cooks, pour the **cold water** for the **rice** (see ingredients for amount) into a medium saucepan with a tight-fitting lid. Stir in the **rice, star anise** and ¼ tsp of **salt**, cover with the lid and bring to the boil on medium-high heat. Once boiling, turn the heat down to its lowest setting. Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

Curry On

Once the **lentils** are soft, add the **spinach** to the **curry** a handful at a time and cook until wilted and piping hot, 2-3 mins. If the **curry** is a bit thick, add a touch of **water**. Season to taste with **salt** and **pepper**.

Time to Serve

Remove the **star anise** from the **rice** and fluff with a fork. Share the **rice** between your bowls and top with the **curry**. Top with the **roasted aubergine** pieces. In a small bowl, combine the **chopped peanuts, lime zest, coriander** and **oil** (see ingredients for amount). Sprinkle over the whole dish and serve with a **lime** wedge along side for squeezing over.

Enjoy!
