### **Get Prepped**

Cut the tomato into 1cm pieces. Peel and grate the garlic (or use a garlic press). Zest and halve the lime.

Drain the **halloumi**, then cut it into slices (3 per person). Place them into a small bowl of cold water and leave to soak.

Drain the **sweetcorn** in a sieve.

### Time to Salsa

Squeeze half the lime juice into a small bowl and add the olive oil for the salsa (see pantry for amount). Season with salt and pepper.

Mix together, then add the tomato chunks. Stir together, then set your tomato salsa aside.

Heat a drizzle of oil in a large saucepan on medium heat.

Once hot, add the garlic and Central American style spice mix (add less if you'd prefer things milder). Fry for 1 min.

### Cook the Spiced Rice

Pour the water for the rice (see pantry for amount) into the pan of garlic and spice.

Stir in the rice and vegetable stock paste, then bring to the boil on medium-high heat. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the rice will continue to cook in its own steam).

### Char the Corn

While the **rice** cooks, heat a large frying pan on high heat (no oil).

Once hot, add the sweetcorn and cook until charred, 5-6 mins. Adjust the heat if necessary. Stir only twice during this time - you want the sweetcorn to pick up some nice colour.

Meanwhile, remove the halloumi slices from the **cold water**, pop them onto a plate lined with kitchen paper and pat them dry. Wipe out the bowl.

## Fry and Glaze the Halloumi

Once the **sweetcorn** is charred, transfer to the (now empty) halloumi bowl.

Wipe out the frying pan and pop on mediumhigh heat with a drizzle of oil. Once hot, add the halloumi and fry until golden, 2-3 mins each side.

Once golden, remove the pan from the heat and allow to cool slightly.

Drizzle over the **honey** (see pantry for amount) and remaining lime juice. Turn the halloumi to glaze it.

### Finish and Serve

When everything's ready, fluff up the rice with a fork and stir through the butter (see pantry for amount), lime zest and sweetcorn. Taste and season with **salt** and **pepper** if needed.

Serve the **spiced rice** with the **halloumi** on one side, spooning over any leftover glaze from the pan. Add the tomato salsa on the other side.

Top with a dollop of **yoghurt** to finish.

Enjou!
