## Get Prepped

Preheat your oven to 220°C/200°C fan/gas mark 7. Fill and boil your kettle.

Trim the **aubergine**, then chop into small pieces. Halve the **pepper** and discard the core and seeds. Slice into thin strips.

Halve, peel and chop the **onion** into small pieces. Peel and grate the **garlic** (or use a garlic press).

## Roast the Veg

Pop the **aubergine** and **pepper** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then sprinkle over **half** the **Italian style herbs**.

Use your hands to cover the **veg** in the **herbs**, then spread out in a single layer.

When the oven is hot, roast on the top shelf until soft and golden, 20-25 mins. Turn halfway through.

## Start your Risotto

Meanwhile, heat a drizzle of **oil** in a large ovenproof pan on medium heat (if you don't have one, use a normal saucepan and transfer to an ovenproof dish later).

Once hot, add the **onion** and fry until soft, 4-5 mins. Stir in the **sun-dried tomato paste**, **garlic** and remaining **Italian style herbs**.

Cook for 1 min, then stir in the **risotto rice** and cook until the edges of the **rice** are translucent, 1-2 mins.

## Add the Stock

Add the **boiled water for the risotto** (see ingredients for amount) and **veg stock paste** to the pan. Stir to combine.

Bring back up to the boil, then pop a lid on the pan (or cover with foil) and bake on the middle shelf of your oven until the **rice** is cooked and the **water** has been absorbed, 20-25 mins.

## Finish Up

When the **risotto** is cooked, remove it from the oven and mix in the **butter** (see ingredients for amount) and **hard Italian style cheese**.

Stir through the **roasted aubergine** and **pepper**. Season to taste with **salt** and **pepper** if needed and add a splash of **water** if it's a little dry.

## Serve

Share the **ratatouille risotto** between your bowls and serve with a handful of **rocket** on top.

## Enjoy!
