You can recycle me!

Get Started

a) Preheat your oven to 200°C. Heat a drizzle of **oil** in a frying pan on medium-high heat.

b) When hot, add the **pork mince** and season with **salt** and **pepper**. Cook until browned, 4-5 mins. Use a wooden spoon to break it up as it cooks.

IMPORTANT: *The mince is cooked when it is no longer pink in the middle.*

Get Prepped

a) While the **pork** is browning, halve peel and thinly slice the **onion**.

b) Peel and grate the **garlic** (or use a garlic press).

c) Drain and rinse the **lentils** in a sieve.

Cook!

a) Once the **pork** has browned, stir in the **onion**. Cook with the **pork mince** until softened, 4-5 mins.

b) Stir in the **garlic**, **pasanda spice** (use less if you don't like spice), **tomato purée** and **ginger purée**.

c) Combine and cook for 1 minute, then pour in the **coconut milk**, **water** (see ingredients for amount) and **chicken stock powder**.

d) Stir in the **lentils**, bring to the boil and simmer until the **mixture** has reduced slightly, 3-4 mins.

Finish off the Prep

a) Meanwhile, trim the **spring onion** and thinly slice.

Add the Kale

a) Stir the **kale** into the **pork mixture** in handfuls.

b) Cover with a lid or some tin foil and simmer until the **kale** is tender, 3-4 mins.

c) Meanwhile, pop the **naan** into your oven to warm through, 3-4 mins.

Finish and Serve

a) Taste the **curry** and add **salt** and **pepper** if you feel it needs it. **TIP:** *Add a splash of water too if the liquid has evaporated too much.*

b) Serve in bowls with the **spring onion** sprinkled over the top and the **naan** on the side for mopping up the **curry**!

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
