Packed in the UK The Fresh Farm 60 Worship St, London EC2A 2EZ

#### **Get Started**

- **a)** Preheat your oven to 200°C. Heat a drizzle of **oil** in a frying pan on medium-high heat.
- **b)** When hot, add the **pork mince** and season with **salt** and **pepper**. Cook until browned, using a wooden spoon to break it up, 4-5 mins. **IMPORTANT:** The mince is cooked when it is no longer pink in the middle.

# **Get Prepped**

- **a)** While the **pork** is browning, halve peel and thinly slice the **onion**.
- **b)** Peel and grate the **garlic** (or use a garlic press).
- c) Drain and rinse the lentils in a sieve.

## Cook

- **a)** Once the **pork** is browned, stir in the **onion**. Cook together until softened, 4-5 mins.
- **b)** Stir in the **garlic**, **pasanda spice** (use less if you don't like spice), **tomato purée** and **ginger purée**.
- c) Combine and cook for 1 minute, then pour in the coconut milk, water (see ingredients for amount) and chicken stock powder.
- **d)** Stir in the **lentils**, bring to the boil and simmer until the mixture has reduced slightly, 3-4 mins.

# Finish Off the Prep

**a)** Meanwhile, trim and thinly slice the **spring onion**.

## Add the Kale

- a) Stir the kale into the pork mixture in handfuls.
- **b)** Cover with a lid or some tin foil and simmer until the **kale** is tender, 3-4 mins.
- **c)** Meanwhile, pop the **naan** into your oven to warm through, 3-4 mins.

## Finish and Serve

- a) Taste the curry and add salt and pepper if you feel it needs it. TIP: Add a splash of water too if the liquid has evaporated too much.
- **b)** Serve in bowls with the **spring onion** sprinkled over the top and the **naan** on the side for mopping up the **curry**.

## **Enjoy!**

## There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
