Allergens

14) Sulphites

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

1

Cook the Chicken

Preheat your oven to 200°C. Put a large saucepan of **water** on to boil on high heat. Heat a drizzle of **oil** in a frying pan on medium-high heat. Once hot, lay the **chicken** in the pan, skin-side down. Season with **salt** and **pepper**. Fry until the skin is golden, 5-6 mins, then turn and cook for 1 min on the other side. **TIP:** To ensure crispy skin, don't move the chicken. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging.

4

Start the Mash

Meanwhile, chop the **potatoes** into 2cm chunks (peel first if you prefer). Add to the pan of **boiling water** with ½ **tsp salt**. Simmer until you can easily slip a knife through, 15-20 mins. Once cooked, drain in a colander and pop them back into the pan. Cover with a lid to keep warm. Meanwhile, thinly slice the **mushrooms**. Halve, peel and thinly slice the **red onion**.

2

Prep the Carrots

While the **chicken** cooks, trim the **carrots** (no need to peel), quarter lengthways and then chop into finger-length batons. Pop the **carrots** onto a large baking tray and add a drizzle of **oil**. Sprinkle over the **sugar** (see ingredients for amount) and season with **salt** and **pepper**. Toss to coat, then arrange in a single layer.

5

Make the Mushroom Sauce

Put the (now empty) frying pan back on medium-high heat. Add a drizzle of **oil**, the **mushrooms** and a pinch of **salt** and **pepper**. Stir-fry until the **mushrooms** are golden, 4-5 mins. Add the **onion** and fry until softened, 3-4 mins. Pour in the **water for the sauce** (see ingredients for amount), stir in the **red wine stock paste**, then bring to the boil. Lower the heat and simmer until the **sauce** has reduced by half, 4-5 mins. Remove from the heat.

CUSTOM RECIPE

If you've decided to add **bacon lardons** to your meal, add them to the pan with the **mushrooms**, then continue with the rest of the recipe as instructed. **IMPORTANT:** Wash your hands and equipment after handling raw meat. Cook lardons thoroughly.

3

Get Roasting

Once browned, transfer the **chicken** to a baking tray, skin-side up. When the oven is hot, roast the **carrots** on the middle shelf for 5 mins, then put the **chicken** on the top shelf. Roast until the **carrots** are tender and the **chicken** is cooked, 18-25 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle. Halfway through, add the **garlic cloves** (no need to peel) to the **carrot** tray to roast, 10 mins.

6

Finish and Serve

When the **chicken** is cooked, transfer to a board to rest for a couple of mins. Squeeze the **garlic** out of its skin and add to the **potatoes** along with a knob of **butter** and a splash of **milk** (if you have some). Add **salt** and **pepper** to taste and mash until smooth. Slice the **chicken** widthways into 4 or 5 pieces and serve with the **mash** and **carrots**, spooning over the **sauce**.

Enjoy!
