Nutrition for uncooked ingredients based on 2 person recipe.

Allergens

14) Sulphites

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

Roast the Carrots

Preheat your oven to 220°C/200°C fan/gas mark 7.
Bring a large saucepan of **water** with ½ **tsp salt** to the boil.

Trim and halve the **chantenay carrots** lengthways (no need to peel). Pop onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer.

Pop the **garlic** (unpeeled) into a small piece of foil with a drizzle of **oil** and scrunch to enclose it. Add to the **carrot** tray.

When the oven is hot, put the tray on the top shelf to roast for 10 mins.

Make the Redcurrant Jus

While the **duck** and **carrots** roast, drain any excess fat from the frying pan and return to medium heat.

Pour in the **water for the sauce** (see ingredients for amount), **redcurrant jelly** and **red wine stock paste**.

Bring to the boil, stirring to combine, then simmer until rich and glossy, 6-8 mins. Add a splash of hot **water** to loosen if needed.

Meanwhile, finely chop the **parsley** (stalks and all).

Boil the Potatoes

Meanwhile, peel and chop the **potatoes** into 2cm chunks.

When the pan of **water** is boiling, add the **potatoes** and cook until you can easily slip a knife through, 15-20 mins.

Garlic Mash Time

Once the **potatoes** are cooked, drain in a colander and return to the pan, off the heat.

Once the **garlic** has roasted and cooled, cut the end with scissors, squeeze it out of the skin and mash with a fork, then add to the **potatoes**.

Add a knob of **butter** and a splash of **milk** (if you have any) and mash until smooth. Season with **salt** and **pepper**. Cover with a lid to keep warm.

Get Frying

When the **carrots** have roasted for 5 mins, put a frying pan on medium-high heat (no oil).

Once hot, lay the **duck** in the pan, skin-side down, and fry until the skin is golden, 6-8 mins. Flip, then sear the other side for 1 min more.

Take the **carrot** tray out the oven, remove the **garlic parcel** and set aside, then turn the **carrots**.

Add the **duck** to the baking tray, skin-side up. Drizzle with **honey** and return to the top shelf to roast for the remaining cooking time, 16-18 mins.

TIP: If your honey has hardened, pop it in a bowl of hot water for 1 min. **IMPORTANT:** Wash your hands and equipment after handling raw duck and its packaging.

Serve

When the **duck** is cooked, transfer to a board and leave to rest for a few mins before slicing each **breast** widthways into 5 slices. **IMPORTANT:** The **duck** is cooked when no longer pink in the middle.

Share the **garlic mash** between your plates. Lay the **sliced duck** on top and spoon over the **redcurrant jus**.

Serve with the **roasted carrots** alongside and sprinkle over the **parsley** to finish.

Enjoy!
