1. Start the Potato

Preheat your oven to 200°C and take the **steak** out of your fridge. Chop the **potato** into 2cm chunks (no need to peel!), then pop on a baking tray. Drizzle with **oil** and a pinch of **salt** and spread out in one layer. Roast on the top shelf of your oven until golden, 25-30 mins. Turn halfway through cooking.

4. Make the Sauce

Return your now empty pan to medium heat and add a splash of **oil**. Add the **shallot** and stir until soft, 5 mins. Add the **crushed peppercorns** and stir in the **white wine vinegar**. Allow the **vinegar** to bubble away. Stir in the **Knorr stock pot** until dissolved. Pour in the **water** (see ingredients for amount) and allow it to reduce for 3 mins. Stir in the **crème fraîche**, then take off the heat.

2. Caramelize the Onion

Halve, peel and thinly slice the **red onion**. Heat a drizzle of **oil** in a large saucepan on medium heat. Add the **onion** with a pinch of **salt**, stir and cook until soft and caramelised, 15-20 mins. Stir every now and then to make sure it is not burning. When soft, transfer to a bowl and cover to keep warm. We will be adding them to the **potato** later.

5. Fry the Steak

Heat a splash of **oil** in a frying pan over high heat. Once hot, lay in the steak. Cook until browned, 2-3 mins on each side for medium-rare. Cook for a further minute on each side if you like it medium. Transfer to a plate, cover with foil and leave to rest for a few mins. **IMPORTANT:** *The steak is safe to eat when the outside is cooked.*

3. Prep the Rest

Meanwhile, halve, peel and thinly slice the **shallot**. Roughly chop the **parsley** (stalks and all). Crush the **peppercorns** in a freezer bag with the bottom of a saucepan or a rolling pin. Season the **steak** with a pinch of **salt** and **pepper**. **IMPORTANT:** *Remember to wash your hands and equipment after handling raw meat.*

6. Finish and Serve

When ready, take the **potato** out of your oven and spread the **caramelised red onion** on top of them. Return to your oven to warm through while the **steak** rests. Reheat the **sauce** over medium heat until piping hot. Add any **steak resting juices** and the **parsley** to the **sauce**. Taste and add **salt** if necessary. Share the **potatoes** between your plates. Cut each **steak** thinly and place alongside the **potatoes**. Spoon the **sauce** over.

Enjoy!
