# Roast the Wedges

Preheat your oven to 200°C. Chop the **potatoes** into 2cm wide wedges (no need to peel). Pop the **wedges** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper** then toss to coat. Spread out in a single layer. **TIP**: *Use two baking trays if necessary.* Roast on the top shelf of your oven until golden, 25-35 mins. Turn halfway through.

### Start the Sauce

Meanwhile, put the **water** (see ingredients for amount) in a large saucepan on high heat. Add the **BBQ sauce**, **balsamic vinegar**, **chipotle paste** and a pinch of **salt** and **pepper**. Bring the **sauce** to the boil, giving it a good stir to ensure everything is combined.

# Add the Chicken

Once the **sauce** is boiling, lower the heat to medium, stir in the **chicken** and cover the pan with a lid. Simmer until the **chicken** is cooked and tender, 15-20 mins, stirring halfway and lowering the heat if necessary. Once cooked, remove the pan from the heat and transfer just the **chicken** to a board with a slotted spoon. Roughly chop the **chicken**. **IMPORTANT**: Wash your hands and equipment after handling raw chicken and its packaging. The chicken is cooked when no longer pink in the middle.

### Finish the Prep

While everything cooks, trim and thinly slice the **spring onion**. Trim and coarsely grate the **carrot** (no need to peel). Grate the **cheese**. Drain and rinse the **mixed beans** in a sieve (see ingredients for amount). Pop **half** the **beans** into a medium bowl and roughly mash with a fork. Once the **chicken** is cooked and out of your pan, add the **mixed beans** (both whole and crushed) and **carrot** to the remaining **sauce** in the pan.

## Simmer and Stir

Stir everything together, then boil vigorously on high heat until reduced to a thick **sauce**, 4-5 mins. **TIP**: *Stir frequently and cook for a bit longer if you need to - you want it really thick!* Stir in the **chicken** and simmer for 2 mins, then remove from the heat. Taste and add **salt** and **pepper** if needed.

## **Bake and Serve**

When the **wedges** are ready, transfer them to an ovenproof dish. Spoon the **chicken mixture** on top of the **wedges**. Sprinkle on the **cheese** and bake in the oven until the **cheese** is golden and bubbling, 5-6 mins. Remove from the oven, sprinkle over the **spring onion** and serve.

**Enjoy!**
