## Get Prepped

Halve, peel and chop the **red onion** into small pieces. Peel the **sweet potato** and chop into 2cm chunks. Peel and grate the **garlic** (or use a garlic press). Zest and cut the **lime** into wedges. Drain and rinse the **chickpeas** in a sieve.

## Make the Curry

Stir in the **yellow Thai style paste** and **half the garlic**. Cook for 1 min more. Stir in the **sweet potato** and **chickpeas**, then pour in the **water for the curry** (see ingredients for amount), **veg stock paste**, **coconut milk** and **peanut butter**. Stir to thoroughly combine, 2-3 mins. Bring to the boil, then reduce to a simmer. Pop the lid on and simmer, stirring frequently until the **sweet potato** is tender, 15-20 mins. **TIP: Add a splash more water if you feel it needs it.**

## Cook the Rice

Pour the **cold water for the rice** (see ingredients for amount) into a medium saucepan with a tight-fitting lid. Stir in the **rice** and **¼ tsp salt** and bring to the boil on medium-high heat. Once boiling, turn the heat down to medium and cover with the lid. Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

## Wilt the Spinach

About 6-8 mins before your **curry** is ready, heat a drizzle of **oil** in a frying pan on medium-high heat. When hot, add the **spinach** a handful at a time and allow it to wilt slightly, 1-2 mins. Once it begins to wilt, add the **ketjap manis** and remaining **garlic** and stir-fry until some of the **liquid** has evaporated, 2-3 mins. Remove from the heat once wilted and piping hot.

## Fry the Onion

While the **rice** cooks, heat a drizzle of **oil** in a large saucepan on medium heat. Add the **onion** and stir-fry until softened, 3-4 mins.

## Plate Up

Fluff up the **rice** with a fork and stir through the **lime zest**. Add a squeeze of **lime juice** to the **curry**, then taste and add more **salt**, **pepper** and **lime juice** if needed. Share the **rice** between your bowls and spoon the **curry** onto one side with the **garlic spinach** on the other. Serve with **lime wedges** for squeezing over.

## Enjoy!
