Cook the Noodles

- Fill and boil your kettle.
- Pour the **boiling water** into a large saucepan on medium heat.
- Add the **noodles** to the **water** and bring back to the boil. Cook until tender, 4 mins.
- Once cooked, drain in a colander. **TIP:** *Run the noodles under cold water to stop them sticking together.*

Make the Sauce

- In a small bowl, combine the **ketjap manis** and **rice vinegar**. Squeeze in some **lime juice**.
- Add the **spring onions** and **sauce** to the pan.
- Bring to a simmer and bubble for 2 mins.

Brown the Pork

- Meanwhile, heat a large frying pan on high heat (no oil).
- Once hot, add the **pork** and sprinkle on the **Thai style spice blend** (add less if you'd prefer things milder).
- Cook until browned, 5-6 mins. Use a spoon to break it up as it cooks. **IMPORTANT:** *Wash your hands and equipment after handling raw mince.*

Finish Up

- Stir the **cooked noodles** into the **pork**.
- Stir to coat the **noodles** in the **sauce** and cook until everything is piping hot, 1-2 mins.

Add the Pepper

- While the **pork** is cooking, halve the **pepper** and discard the core and seeds. Slice into thin strips.
- Trim and thinly slice the **spring onion**.
- Halve the **lime**.
- Once browned, drain and discard any excess fat from the **pork**. Add the **green pepper** to the pan and cook until softened, 3-4 mins. **IMPORTANT:** *The mince is cooked when no longer pink in the middle.*

Serve

- Share the **pork noodles** between your bowls.

Enjoy!
