# Prep the Veggies

Trim the **aubergine** and slice into thin rounds approximately 1cm thick. Halve, peel and chop the **onion** into small pieces. Halve the **pepper** and discard the core and seeds. Chop into small pieces. Peel and grate the **garlic** (or use a garlic press).

#### Start the Sauce

Preheat your grill to high. Heat a drizzle of oil in a frying pan on medium-high heat. Add the onion and pepper and season with salt and pepper.

Cook, stirring, until soft and golden, 6-7 mins. Add the oregano, tomato puree, ground cinnamon and half the garlic. Cook for 1 min more.

#### **CUSTOM RECIPE**

If you've decided to add **beef mince** to your meal, add to your pan before the **onion** and **pepper**. Cook until browned, 3-4 mins. Use a spoon to break it up as it cooks, then drain and discard any excess fat. Then add the **onion** and **pepper** to the pan and continue. **IMPORTANT**: Wash your hands and equipment after handling raw mince. The mince is cooked when no longer pink in the middle.

#### Finish the Sauce

Next, stir in the **red split lentils**, **Worcester sauce**, **vegetable stock paste** and **chopped tomatoes**. Add the **water** and **sugar** (see ingredients for both amounts). Stir, bring to the boil, lower the heat to medium and simmer until the **lentils** are soft (but still have a slight bite to them), 20-25 mins. If the **sauce** gets too dry, just add a splash of **water**.

### Grill the Aubergine

Meanwhile, lay the **aubergine** slices on a baking tray in a single layer and drizzle over a good glug of **oil**. Season with **salt** and **pepper**. Grill until browned and soft, about 8-9 mins on each side. TIP: Keep an eye on them to make sure they don't burn. If they aren't soft after this time, just leave them under your grill for another 2-3 mins. Remove and set aside.

# Layer It Up

In a small bowl, mix the **remaining garlic** with the **olive oil** (see ingredients for amount). Cut the **ciabatta** in half and smear the **garlic oil** over the cut side. When the **tomato sauce** is ready, transfer the **sauce** to an ovenproof dish. Layer over the **aubergine slices**. Dollop over the **creme fraiche** and then spread it out evenly across the top.

#### Finish and Serve

Sprinkle the hard Italian style cheese over the moussaka and season with pepper. Grill until the cheese is golden and bubbling, about 5-6 mins. Remove from the grill, then grill the garlic bread until golden and toasted, 2-3 mins. Serve the moussaka in bowls. Add a handful of rocket alongside and drizzle with olive oil. Serve with the cheat's garlic bread.
