1

Prep

Halve, peel and chop the **onion** into small pieces. Peel and grate the **garlic** (or use a garlic press). Halve the **pepper** and discard the core and seeds. Chop into 1cm sized chunks. Trim the **green beans** and chop into thirds. Trim the **courgette**, quarter lengthways and cut into 1cm chunks.

2

Cook the Rice

Pour the cold **water** for the **rice** (see ingredients for amount) into a medium saucepan with a tight fitting lid. Stir in the **rice** and ¼ tsp of **salt**, cover with the lid and bring to the boil on medium-high heat. Once boiling, turn the heat down to its lowest setting. Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the rice will continue to cook in its own steam).

3

Start the Curry

Heat a drizzle of **oil** in a large frying pan over medium-heat and add the **onion**. Cook, stirring occasionally, until softened and starting to turn golden, 6-7 mins. Add the **pepper** to the pan with the **onions**, stir and cook for 1 minute. Stir in the **tandoori masala mix** and cook for 30 seconds. Now add the **ginger puree**, **garlic** and **tomato puree**, stir and cook for another 30 seconds.

4

Cook the Curry

Pour in the **water** (see ingredients for amount), the **creme fraiche**, **coconut milk** and **vegetable stock powder**. Bring to the boil, stirring to combine, then reduce the heat to medium, stir in the **green beans** and **courgette**, cover the pan with a lid (or some tin foil) and simmer until the **veg** are almost tender, 8-9 mins. Remove the lid and allow to simmer until the **mixture** has thickened and the **veggies** are cooked through, 3-4 mins, stirring occasionally.

5

Finish Up

Meanwhile, roughly chop the **coriander** (stalks and all). When the **curry** is cooked, season to taste with **salt** and **pepper** if needed and stir in **half** the **coriander**. **TIP:** Add a splash of water if it's looking a bit thick.

6

Serve

Fluff up the **rice** with a fork. Serve the **rice** in bowls topped with plenty of **veggie tikka** and the remaining **coriander**.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
